4) Committee Reports

a) Senior Relations - Future Fairwinds Events - the YAC encouraged members to attend the meet-ups with the Fairwinds community. These include a meet and greet on February 11th and Technology Q&A on February 18th. The YAC also noted that members should attend an unrelated event, Walk the Block (also on the 11th), at some time during the day in YAC shirts to showcase our presence in the community and network.

b) Field Day - The YAC discussed how we would acquire various materials for field day such as volleyballs (buying them ourselves) and a tug-of-war rope (from the fire department). YAC also considered contacting an engineering club or someone with a circular saw to create larger holes in our cornhole boards.

c) Website & Social Media - the YAC is implementing the "YAC member of the week" on social media to highlight various members' contributions and make the organization more relatable. This week YAC highlighted the work of Patrick Klass.

d) Technology Committee - YAC has a scheduled tech Q&A at Fairwinds February 18th and will create a small pamphlet with the "Top 10 Smartphone Tips"

e) Town Liaison - Samuel Sepulveda gave a summary of the Town Council meeting.

5) Distracted Driving Discussion

Due to the pessimistic nature of the Sauherita Distracted Driving PSA, the Oro Valley YAC is splitting off to create its own distracted driving PSA, focusing on the new Oro Valley ordinance. Patrick Klass handed out pamphlets and created a booth at his school to educate his peers concerning the new distracted driving ordinance.

6) Article for Oro Valley Voice discussion

Katie Frye updated us on the progress of her article, which will be published in the February edition of the Oro Valley Voice. Marty Waters offered other members of the council the opportunity to write articles concerning the music and memory programs as well as other YAC events.
